

KENAI HELICOPTERS
GRAND CANYON TOURS

Destination
Grand Canyon

Ancient sandstone. Wind-ravaged ravines. Twisted junipers and hardy cedar trees. Vast mesas. Whitewater rapids. Secluded arroyos. Kenai Helicopters invites you to go beyond the ordinary to experience the Grand Canyon's ever-changing grandeur.

Behold the awesome . . .

Tour Options **Yours To Choose**

The Grand Canyon Experience Tour 1-A **\$99**

Explore the central corridor of the canyon, the widest and deepest section of this 277-mile wonder. You'll experience bird's-eye views of stately temples, immense buttes and deep gorges . . . and find yourself entranced by the power of the Colorado River. Approximately 25-30 minutes

The Majestic Grand Canyon Tour 2-A **\$155**

Sweep low across the Canyon's vastness and glimpse the mysteries of its hidden corners and spectacular side canyons. Seldom-seen beauty will take your breath away, as our exclusive tour makes it clear why this particular canyon is called *Grand*. Approximately 40-50 minutes.

Convenient flight times may be scheduled during daylight hours.

All flights are approximate due to weather, wind and safety conditions while en route.

Routes may be modified at pilot discretion if conditions warrant.

Prices include tax. Rates subject to change.

Multilingual in-flight stereo narration is available.
